RE: Dymax Corporation's Declaration of Compliance to Directive (EU) 2015/863 of the European Parliament and of the Council of 15 November 2017 on the "Restriction of Certain Hazardous Substances in Electrical and Electronic Equipment (RoHS3).

To Whom It May Concern:

Dymax Corporation (Dymax) states that its adhesive, oligomers, coatings or sealants products have been examined with respect to the above referenced EU directives, and to the best of our knowledge do not contain above the listed concentration, the below list of substances. In preparing this statement, Dymax has reviewed information provided by our raw material suppliers, our own formulations and knowledge of our manufacturing processes, but has not necessarily performed analytical tests for these constituents.

1. Cadmium (100 ppm)
2. Lead (1000 ppm)
3. Hexavalent Chromium (1000 ppm)
4. Mercury (1000 ppm)
5. Total polybrominated biphenyls (PBBs) (1000 ppm)
6. Total polybrominated diphenyl ether (PBDEs) (1000 ppm)
7. Bis(2-ethylhexyl) phthalate (DEHP) (1000 ppm)
8. Butyl benzyl phthalate (BBP) (1000 ppm)
9. Dibutyl phthalate (DBP) (1000 ppm)
10. Diisobutyl phthalate (DIBP) (1000 ppm)

If you have any questions, please feel free to contact us at [Product\\_Regulatory@Dymax.com](mailto:Product_Regulatory@Dymax.com).

Sincerely,

DYMAX CORPORATION

Alison Jeannin  
Manager Product Regulatory Systems

Technical data provided is of a general nature and is based on laboratory test conditions. Dymax does not warrant the data contained in this bulletin. Any warranty applicable to the product, its application and use is strictly limited to that contained in Dymax standard Conditions of Sale published on our website at [dymax.com/resources/sales-terms-conditions](http://dymax.com/resources/sales-terms-conditions). Dymax does not assume responsibility for test or performance results obtained by users. It is the user's responsibility to determine the suitability for the product application and purposes and the suitability for use in the user's intended manufacturing apparatus and methods. The user should adopt such precautions and use guidelines as may be reasonably advisable or necessary for the protection of property and persons. Nothing in this communication shall act as a representation that the product use or application will not infringe on a patent owned by someone other than Dymax or act as a grant of license under any Dymax Corporation Patent. Dymax recommends that each user adequately test its proposed use and application before actual repetitive use, using the data in this communication as a general guideline.
