

Terms of Use

Last updated: April 2, 2012

Welcome to our website. If you continue to browse and use this website you are agreeing to comply with, and be bound by, the following terms and conditions of use. The content of the pages on this website is for general information and use only. It is subject to change without notice.

This site is provided as a research and reference tool. Although we make every reasonable effort to ensure that the information, analytical tools, and data provided at this site are useful, accurate, and current, we cannot guarantee that the information, tools, and data provided here will be error-free. By using this site, you assume all responsibility for any risk arising from your use of, and reliance upon, the contents of this site.

Technical data provided is of a general nature and is based on laboratory test conditions. Dymax does not warrant the data contained in this bulletin. Any warranty applicable to the product, its application, and use is strictly limited to that contained in Dymax standard Conditions of Sale. Dymax does not assume responsibility for test or performance results obtained by users. It is the user's responsibility to determine the suitability for the product application and purposes and the suitability for use in the user's intended manufacturing apparatus and methods. The user should adopt such precautions and use guidelines as may be reasonably advisable or necessary for the protection of property and persons. Nothing in this communication shall act as a representation that the product use or application will not infringe on a patent owned by someone other than Dymax or act as a grant of license under any Dymax Patent. Dymax recommends that each user adequately test its proposed use and application before actual repetitive use, using the data in this communication as a general guideline.

Your use of any content on this website is entirely at your own risk, for which we shall not be liable. It shall be your own responsibility to ensure that any products, services, or information available through this website meet your specific requirements.

Unauthorized use of this website may give way to a claim for damages and/or be a criminal offense.

We expect that this site will be available to authorized users 24 hours a day, 7 days a week, but we cannot guarantee such availability. We will not be liable for any delay or temporary disruption in access, no matter for how long, due either to technical problems or to circumstances beyond our control. If you need access to our products during such a disruption in access to this site, please contact us to make alternative arrangements.

From time to time this website may also include links to other websites. These links are provided for your convenience to provide further information. They do not signify that we endorse the website(s). We have no responsibility for the content of the linked website(s).

You may not create a link to this website, from another website or document, without Dymax's prior written consent. Should you have other questions or concerns, please call us at 860-482-1010 or send us an email at info@dymax.com.
